

Español ~ Crédito Extra

✦ Each trimester, you will have two options to earn extra credit points:

1. Attend a cultural event (art exhibit, dance performance, concert) relating to some aspect of Spanish-speaking heritage. Your goal is to find something that will enrich your appreciation for Spanish-speaking customs and traditions.
2. Share a trip (vacation, community service) you took to a Spanish-speaking country. Your goal is to tell about your experience as well as explain what you learned about the country's geography, its people and their culture.

✦ Once you have attended an event or completed your trip, you must plan a presentation for the class. This may take the form of a written paper, a PowerPoint presentation, a podcast, a video, or some other type of multi-media presentation to share with the class. Your presentation must be between two to four minutes in length and will be given during the time that is set aside at the end of each Etapa for final projects. On the day of your presentation, you will be responsible to see that you have your presentation ready to go.

✦ While you are expected to make your presentation in English, you are encouraged to include Spanish words and phrases as much as possible. You are expected to use proper pronunciation of any Spanish words, phrases, and proper names.

✦ You may complete two extra credit assignments each trimester. Each assignment is worth a maximum of **10 points**.
